About the quality of goods found at the large drug and book house of Saur & Balsley, but it is done for your good and the good of your family, if you have any. Too much cannot be said of anything that is good and a public benefit, therefore too much cannot be said in favor of this house, which has proved itself for years a public benefactor and helper in time of sickness and distress, and when in need of goods which go to brighten and make comfortable your homes.

The store of Saur & Balsley has become almost a by word in every home in this and adjoining counties, and their reputation is known far and near. This has been built up during a business course which has been in operation for over a quarter of a century in Napoleon, which has not only been successful in every way, but a marvel of prosperity from a business point of view. This enviable record has not only been made to redound to the benefit of the proprietors but they share it with their customers, by selling them goods at the lowest possible prices.

The finest line of toilet articles in this part of the state can be found at the store of Saur & Balsley. Soaps, perfumes, brushes, combs, and every article known to the toilet. Fancy stationery in endless variety, and all supplies for town and country schools, such as books, pads, pencils, slates, etc.

Their drugs are fresh and pure, their medicines of the best concoctions in the market, and intended for both man and beast. The human system at this season of the year not only needs attention, but also the system of your stock. Look after the welfare of your stock as well as the welfare of yourself.

The wall paper department of this house is the most complete in this section of the State. As is also their paint and oil department. As this is the season of the year to brush up and brighten the appearance of your homes, you can do no better than by selecting your supplies at the store of Saur & Balsley. A fine line of window shades and decorations.

And if there is any one thing above another in which this firm prides itself, it is in their assortment of paints, oils and varnishes. They handle none but the best brands in the market, and when they sell you a supply, you can rely upon it that the goods are the best. Their paints and oils have given the best of satisfaction for a long series of years; they have been tested and not found wanting. When in need of paints and supplies, call on Saur & Balsley, Napoleon, O.

FRANCIS M. RUMMELL.

Candidate for Prosecuting Attorney.

Mr. Rummell was born in Wyandot county, this State, in 1840, and came to Napoleon to reside in 1868. When sixteen years of age he was employed to work in a grist mill and saw mill, and for a time thereafter worked on a farm. He received his education in the common and select schools at Upper Sandusky, and for a short time attended Heidelberg college at Tiffin, O. After this he taught school in Wyandot and Henry counties, and taught several terms in the Union Schools of Napoleon. In 1864 he enlisted and remained in the army until the close of the war. He commenced to read law with Haly & Robinson in 1868, and was admitted to the bar in the winter of 1869, when he commenced the practice of his profession in this city. In 1875 he was elected Mayor of the city, in which capacity he served two terms. The Perry street improvement was made during his administration, which improvement has proved such a boon to our little city. Mr. Rummell is a Democrat at all times, and is deserving the support of every member of his party.

THOMAS J. BURNS.

Candidate for Sheriff.

Our candidate for Sheriff is a Henry county boy, he having been born and raised in this county. Mr. Burns first saw the light of day on his father's farm, in Liberty township, thirty-four years ago, and has been a resident of Henry county ever since. When he left his father's farm, he became a resident of Napoleon and dealt in stock for some years, and was also in the butchering business. He has been Marshal of Napoleon for a number of years, and is now serving his fourth term as such officer, making one of the best and most efficient Marshals the city has ever had. He is an out-and-out officer of the law and is respected by everybody, even by those over whom he is compelled to exercise his authority. He has the qualifications to make a good and faithful Sheriff, and his election will prove an honor to the county. It should take four figures to enumerate his majority.

LEVI KING.

Candidate for Commissioner.

Mr. King is now serving his first term as county commissioner and is the Democratic candidate for re-election. He has served the people of Henry county in a faithful manner for the past two years and over, being a careful and painstaking official, managing the duties of commissioner as he would his own private affairs, and none can say but what he has been a successful farmer, his chosen avocation.

Mr. King was born in Fairfield county, Ohio, January 10th, 1847, which leaves him at the present time in the prime of life. He received his education from the common schools of Sandusky county, this state, where he passed his boyhood days, always being a hard worker, whether in the school room or at manual labor. In the year 1870 he became a resident of Henry county, settling on the banks of the Maumee, near Texas, where he has by hard work carved out of a vast wilderness one of the finest farms in Henry county, or in northwestern Ohio, for that matter. In his dealings with his fellow-men Mr. King is honest and upright, and commands the respect of everybody. His record is clean cut, coming direct from the people, he is performing the duties of county commissioner in their interest.

C. H. WISTINGHAUSEN.

Candidate for Infirmary Director.

Mr. Wistinghausen is serving on his first term as Infirmary Director, and was renominated for a second term without opposition. He was born in Germany, in Lippe Detmold, in the year 1841, and when he was 15 years of age, he, with his parents, came to this country, and stopped in Cuyahoga county. He remained there until 1858, when he came to this county, and was here when the war broke out, when he returned to Cuyahoga and enlisted in Cleveland in 1861, in the 58th regiment. He served with his regiment for three years, or until it was disbanded in 1863, the regiment being cut up and reduced to small numbers, when he re-enlisted in the 50th U. S. V. I. He remained in service until 1866, when he was discharged and returned to Henry county, where he has resided ever since, with the exception of a few months spent in the West. Mr. W. is residing on his fine farm of 130 acres in Flatrock township, and is classed as one of our enterprising German farmers.

Poisoned BLOOD

Is a source of much suffering. The system should be thoroughly cleansed of all impurities, and the blood kept in a healthy condition. S. S. S. removes
CHRONIC SORES.
Ulcers, etc., purifies the blood, and builds up the general health. It is without an equal.
"Ira P. Sittles, of Palmer, Kan., says: 'My foot and leg to my knee was a running sore for two years, and physicians said it could not be cured. After taking fifteen small bottles of S. S. S. there is not a sore on my limb, and I have a new lease on life. I am seventy-seven years old, and have had my age renewed at least twenty years by the use of S. S. S.'"

DR. JAMES S. HALY.

Dr. Haly is a Democrat to the man or born. Being a son of the late Hon. James G. Haly he comes of pure old Democratic stock and is unflinching in his fealty to Democratic principles. Harrison, afterward taking a medical course in the University of Michigan and finished his college studies in the Jefferson Medical College, of Philadelphia. In 1872 he returned to Napoleon and began the practice of his chosen profession, and by strict adherence to which he has built for himself an enviable reputation among the medical fraternity of the county. Dr. Haly was born in this city, July 25th, 1851, received the rudiments of his education in the schools of this city, and in 1869 began the study of medicine in the office of Dr. E. B. Harrison, afterward taking a medical course in the University of Michigan and finished his college studies in the Jefferson Medical College, of Philadelphia. In 1872 he returned to Napoleon and began the practice of his chosen profession, and by strict adherence to which he has built for himself an enviable reputation among the medical fraternity of the county. Dr. Haly has been Infirmary physician for a number of years, and is at present a member of the Board of Health. He is a member of the Ohio State Medical Society, also a member of the Northwestern Ohio Medical Society. Although always a staunch Democrat and taking a deep interest in the success of his party principles, he has never been a candidate for any county office until two years ago, when he was elected to the office for which he is now a candidate for re-election, and with such men as Dr. Haly for our candidates, there is no reason why Henry county should not roll up an old time majority for the Democratic ticket this fall.

Dr. Haly is a Democrat to the man or born. Being a son of the late Hon. James G. Haly he comes of pure old Democratic stock and is unflinching in his fealty to Democratic principles.
